Crowe Horwath International

Crowe Horwath International is one of the world's leading organisations of independently owned and managed accounting and consulting firms. These firms provide assurance, tax and specialist business advice. Services are delivered independently by the member and correspondent firms within Crowe Horwath International, a non-practicing, international umbrella entity organised as a verein under the laws of the Confederation of Switzerland. Crowe Horwath International does not deliver services in its own name or otherwise. Crowe Horwath International is not a worldwide partnership. Each member and correspondent firm within Crowe Horwath International is a separate firm.
